Second Hand Book List 2017

Dear Parents,

We suggest that students may like to buy, swap or sell text books amongst their peers in either the year above or below them.

The College has three suggestions as to how you may like to go about this:

1. Notices will be placed on the Year Level noticeboards advising students of the books that can be bought or sold. If they have any queries they can see their Year Level Team Leader.
2. We have created a Facebook page where you can advertise the books you may like to sell or buy. The link to this page is <https://www.facebook.com/CLCSecondHandBooks> . The sole purpose of this Facebook page is to buy, swap or sell your textbooks and is to be used for no other purposes. We suggest you post your requirements on the page and use private in-boxing to make the arrangements. Once your books have either been sold or bought we recommend that you update or delete your post to reflect this. The Facebook page will be closed as of 1:00 pm on Tuesday, 20 December 2016.
3. Atlas Educational is also offering a service to sell second hand books on consignment. Please contact Atlas Educational on 9408 4244 for further information.

The College takes no responsibility for the exchanging of monies or for the quality of the books bought or sold.

Please find below the list of texts that are available to be bought or sold by the respective year levels.

Yours faithfully,

A handwritten signature in black ink that reads 'Joanne Watkins'. The signature is written in a cursive style.
