FEE ASSISTANCE

The CLC Fee Policy and Family Assistance Policy can be accessed at <https://clc.vic.edu.au/forms-and-resources/>

Students in receipt of Bursaries, fee assistance or where fee payments are not up to date should NOT be enrolled in non-compulsory activities that incur additional cost. We request your co-operation in this matter to avoid the necessity of having to withdraw students from such activities.

LEGAL MATTERS

Parents are required to advise the College in writing of legal matters as they arise (including changes to guardianship or access) as this may impact the student's learning and wellbeing.

Fee accounts will be invoiced to both parents unless one parent provides notification in writing (and the College agrees) that they will take sole responsibility for payment. Where the parents provide evidence that fees are subject to a court order, then subject to clause 4.3 of Enrolment Terms and Conditions, the College may invoice fee accounts in accordance with the court order. However, this does not abrogate the Parents' joint and several liability to the College for payment of the fees.

FEE POLICY

Catholic Ladies' College is a Mary Aikenhead Ministry in the tradition of the Sisters of Charity. We seek to develop in each member of our community a contemporary understanding and application of the charism of Mary Aikenhead, the spirituality of the Sisters of Charity, the mission and vision of Mary Aikenhead Ministries and their values of justice, love, compassion and hope.

In responding to this call Catholic Ladies' College is a Christ-centred community established to educate, in partnership with parents, women of faith, integrity, individuality and compassion, confident of their own worth as women and wholly involved in the transformation of society.

PURPOSE

As outlined in the College Mission Statement, Catholic Ladies' College is committed to providing its students with exemplary educational opportunities that reflect best practice in contemporary teaching and learning. The College is committed to providing well-resourced facilities that support and enhance students' learning and wellbeing. To uphold these commitments, the College relies on three main sources of income – Commonwealth Government grants, State Government grants and Annual Composite Fees.

This policy should be read in conjunction with the Management Guidelines for Implementation of the College Fee Policy and Student Financial Assistance Policy.

GUIDING PRINCIPLES

- The values of respect, social justice, equity and inclusion underpin the principles that guide this policy.
- It is the responsibility of the Catholic Ladies' College Board to establish an appropriate annual fee that considers the socio-economic status of the families that the College serves, the College Mission Statement and the stewardship responsibilities prescribed by Mary Aikenhead Ministries.
- All parents/legal guardians have a responsibility to contribute equitably to the cost of their daughter's education.
- To plan for a sustainable future and provide high quality teaching and learning experiences, parents/legal guardians are expected to honour their financial obligations.
- Mary Aikenhead Ministries is committed to the service of the poor, marginalised and the disadvantaged. The College offers fee concessions, subject to application, to parents/legal guardians experiencing financial hardship.

PROCEDURES

Catholic Ladies' College Finance, Risk and Audit Committee recommends a review of fees subject to the guiding principles, as part of the annual budget. Special subject and Extra Curricula fees are commensurate with charges levied by external providers/suppliers and are set to cover the cost of the activity.

The Board of Directors confers responsibility to the College Finance, Risk and Audit Committee for preparation of the annual budget.

IMPLEMENTATION

The Board of Directors confers responsibility to the College Principal to implement this policy.

- 4.2 The College will proceed and act on the basis that each Parent has equal rights and responsibilities in relation to the student and will rely on the authority of either parent in connection with matters concerning the student unless either:
 - (i) the College is supplied with a Court Order or written authorisation signed by the Parents which provide otherwise; or
 - (ii) the Principal in his/her sole discretion is satisfied in all of the circumstances that there is a good reason to vary the arrangement and has advised the Parents in writing of his/her intention to do so; or
