1. Introduction

Catholic Ladies' College is a Mary Aikenhead Ministry in the tradition of the Sisters of Charity. We are called to develop in each member of our community a contemporary understanding and application of the charism of Mary Aikenhead and the spirituality of the Sisters of Charity, and the Mary Aikenhead Ministries' mission, vision and values of justice, love, compassion and hope.

At Catholic Ladies' College we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school. Our commitment is drawn from and inherent in the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel ([CECV Commitment Statement to Child Safety](#)).

The person of each individual human being, in his or her material and spiritual needs, is at the heart of Christ's teaching: that is why the promotion of the human person is the goal of the Catholic school (Congregation for Catholic Education 1997, n. 9).

2. Purpose of the Policy and Statement of Commitment

The purpose of this policy is to demonstrate the strong commitment of Catholic Ladies' College to the care, safety and wellbeing of all students at our school. It provides an outline of the policies, procedures and strategies developed to keep students safe from harm, including all forms of abuse in our school environment, on campus, online and in other locations provided by the school. The College's Child Safe Policy has been approved and endorsed by the College's College Board and is regularly reviewed by the Board.

This policy takes into account relevant legislative requirements within the state of Victoria, including the specific requirements of the Victorian Child Safe Standards as set out in [Ministerial Order No. 870](#). The seven minimum Standards are:

- Standard 1: Strategies to embed an organisational culture of child safety including through effective leadership arrangements
- Standard 2: A child safe policy or a statement of commitment to child safety
- Standard 3: A child safe code of conduct in accordance
- Standard 4: Screening, supervision, training, and other human resources practices that reduce the risk of child abuse by new and existing personnel
- Standard 5: Processes for responding to and reporting suspected child abuse
- Standard 6: Strategies to identify and reduce or remove risks of child abuse
- Standard 7: Strategies to promote the participation and empowerment of children

In implementing the minimum Child Safe Standards according to Ministerial Order No. 870, Catholic schools must be mindful of the diversity of students and school communities and consider the three principles of inclusion as part of each Standard. This involves making reasonable efforts to accommodate 'the needs of Aboriginal and Torres Strait Islander children, children from culturally and linguistically diverse backgrounds, children with disabilities, and children who are vulnerable'.

At Catholic Ladies' College we have a zero tolerance for child abuse and are committed to acting in children's best interests and keeping them safe from harm. The College regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture. This policy applies to school staff, including school employees, clergy, members of religious congregations, volunteers, and contractors and College Board directors.

It should be read in conjunction with the following school policies and procedures:

1. PROTECT: Identifying and responding to abuse – reporting obligations
2. Child Safety Code of Conduct
3. Reportable Conduct Policy

3. Principles

Catholic schools have a moral, legal and mission-driven responsibility to create nurturing school environments where children and young people are respected, their voices are heard and they are safe and feel safe ([CECV Commitment Statement to Child Safety](#)).

The following principles underpin our commitment to child safety at Catholic Ladies' College:

- All students deserve, as a fundamental right, safety and protection from all forms of abuse and neglect.
- Our College works in partnership with families and the community to ensure that they are engaged in decision-making processes, particularly those that have an impact on child safety and protection.
- All students have the right to a thorough and systematic education in all aspects of personal safety, in partnership with their parents/guardians/caregivers.
- All adults in our College, including teaching and non-teaching staff, clergy, members of religious congregations, volunteers, and contractors and College Board directors, have a responsibility to care for children and young people, to positively promote their wellbeing and to protect them from any kind of harm or abuse.
- The policies, guidelines and codes of conduct for the care, wellbeing and protection of students are based on honest, respectful and trusting relationships between adults and children and young people.
- Policies and practices demonstrate compliance with legislative requirements and cooperation with the Church, governments, the police and human services agencies.
- All persons involved in situations where harm is suspected or disclosed must be treated with sensitivity, dignity and respect.
- Staff, clergy, members of religious congregations, volunteers, contractors, College Board directors, parents/legal guardians and students should feel free to raise concerns about child safety, knowing these will be taken seriously by the College Executive team.
- Appropriate confidentiality will be maintained, with information being provided to those who have a right or a need to be informed, either legally (including under legislated information sharing schemes being Child Information Sharing Scheme (CISS) or Family Violence Information Sharing Scheme (FVIS)) or pastorally.
- Clear expectations for appropriate behaviour with children are established in our Child Safe Code of Conduct and Staff and Student Professional Boundaries Policy.

4. Definitions used in this Policy

Child: A child or a young person enrolled as a student at the College.

Child abuse includes:

- (a) any act committed against a child involving:
 - (i) a sexual offence
 - (ii) an offence under section 49B(2) of the **Crimes Act 1958** (grooming)
- (b) the infliction, on a child, of:
 - (i) physical violence
 - (ii) serious emotional or psychological harm
- (c) serious neglect of a child. ([Ministerial Order No. 870](#))

Child safety encompasses matters related to protecting all children from child abuse, managing the risk of child abuse, providing support to a child at risk of child abuse, and responding to incidents or allegations of child abuse. ([Ministerial Order No. 870](#))

Child neglect includes a failure to provide the child with an adequate standard of nutrition, medical care, clothing, shelter or supervision to the extent that the health and physical development of the child is significantly impaired or placed at serious risk. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Child physical abuse: Generally, consists of any non-accidental infliction of physical violence on a child by any person. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Child sexual abuse is when a person uses power or authority over a child to involve them in sexual activity. It can include a wide range of sexual activity and does not always involve physical contact or force. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Emotional child abuse occurs when a child is repeatedly rejected, isolated or frightened by threats, or by witnessing family violence. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Grooming is when a person engages in predatory conduct to prepare a child for sexual activity at a later date. It can include communication and/or attempting to befriend or establish a relationship or other emotional connection with the child or their parent/carer. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Mandatory Reporting: The legal requirement under the *Children, Youth and Families Act 2005 (Vic.)* to protect children from harm relating to physical and sexual abuse. The principal, registered teachers, school counsellors, religious clergy, medical practitioners and nurses at a school are mandatory reporters under this Act. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Reasonable Belief: When school staff are concerned about the safety and wellbeing of a child or young person, they must assess that concern to determine if a report should be made to the relevant agency. This process of considering all relevant information and observations is known as forming a 'reasonable belief'. A 'reasonable belief' or a 'belief on reasonable grounds' is not the same as having proof but is more than mere rumour or speculation. A 'reasonable belief' is formed if a reasonable person in the same position would have formed the belief on the same grounds. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Reasonable belief – reportable conduct scheme: When a person has a reasonable belief that a worker/volunteer has committed reportable conduct or misconduct that may involve reportable conduct. A reasonable belief is more than suspicion and there must be some objective basis for the belief. It does not necessitate proof or require certainty.

NOTE: the difference between the reasonable belief definitions under mandatory reporting and the reportable conduct scheme is the category of persons who are required to, or can, form the reasonable belief which forms the basis for a report.

Reportable conduct: Five types of reportable conduct are listed in the Child Wellbeing and Safety Act 2005 (Vic.) (as amended by the *Children Legislation Amendment (Reportable Conduct) Act 2017*). These include:

1. sexual offences (against, with or in the presence of a child)
2. sexual misconduct (against, with or in the presence of a child)
3. physical violence (against, with or in the presence of a child)
4. behaviour that is likely to cause significant emotional or psychological harm
5. significant neglect.

School environment means any physical or virtual place made available or authorised by the school governing authority for use by a child during or outside school hours, including:

- (a) a campus of the school
- (b) online school environments (including email and intranet systems)
- (c) other locations provided by the school for a child's use (including, without limitation, locations used for school camps, sporting events, excursions, competitions, and other events). ([Ministerial Order No. 870](#))

School staff means an individual working in a school environment who is:

- (a) directly engaged or employed by a school governing authority
- (b) a volunteer or a contracted service provider (whether or not a body corporate or any other person is an intermediary)
- (c) a minister of religion. ([Ministerial Order No. 870](#))

6. Responsibilities and Organisational Arrangements

Child protection is everyone's responsibility. At Catholic Ladies' College, all Directors of the College Board and staff, as well as direct and indirect volunteers, have a shared responsibility to understand the important and specific role they play individually and collectively to ensure that the wellbeing and safety of all students is at the forefront of all they do and every decision they make ([CECV Commitment Statement to Child Safety](#))

- sharing information under legislated information sharing schemes (CISS and FVISS) in accordance with the College's prescribed role as an ISE.

6.2 Guide to Responsibilities of College Staff

Responsibilities of College staff (school employees, volunteers, contractors and clergy, members of religious congregations) include:

- treating children and young people with dignity and respect, acting with propriety, providing a duty of care, and protecting children and young people in their care
- following the legislative and internal school processes in the course of their work, if they form a reasonable belief that a child or young person has been or is being abused or neglected

- assisting children and young people to develop positive, responsible and caring attitudes and behaviours which recognise the rights of all people to be safe and free from abuse
- following the College's Child Safe Code of Conduct.

6.3 Organisational Arrangements

The Principal has the overall leadership role in monitoring and responding to the policy, procedures and practices for child safety at Catholic Ladies' College in accordance with this policy. We have appointed a Child Safety Lead/Officer and the role description is available in the staff handbook:

- The Child Safety Team assists the Principal.
- The Child Safety Team works in identifying and mitigating risks in child safety.
- The Child Safety Team also supports the Principal to monitor implementation of school policies, procedures and practices and to identify professional learning.

Catholic Ladies' College website and newsletter will provide information to keep parents and carers informed of child safety commitments, procedures and arrangements.

Expectations of our school staff re Child Safe Code of Conduct

At Catholic Ladies' College, we expect school employees, volunteers, contractors and clergy to proactively ensure the safety of students at all times and to take appropriate action if there are concerns about the safety of any child at the school. All school staff must remain familiar with the relevant laws, the code of conduct, and policies and procedures in relation to child protection and to comply with all requirements. We have developed a [Child Safe Code of Conduct](#), which recognises the critical role that school staff play in protecting the students

in our care and establishes clear expectations of school employees, volunteers, contractors, and clergy for appropriate behaviour with children in order to safeguard them against abuse and/or neglect.

Our Code also protects school staff through clarification of acceptable and unacceptable behaviour.

Student Safety and Participation

At Catholic Ladies' College, we actively encourage all students to openly express their views and feel comfortable about giving voice to the things that are important to them. We teach students about what they can do if they feel unsafe and enable them to understand, identify, discuss and report on child safety. We listen to and act on any concerns students, or their parents or carers, raise with us.

The curriculum design integrates appropriate knowledge and skills to enhance students' understanding of being safe. Teaching and learning strategies that acknowledge and support student agency and voice are implemented.

We have developed appropriate education about:

- standards of behaviour for students attending our school
- healthy and respectful relationships (including sexuality)
- resilience
- child abuse awareness and prevention.

7. Reporting and Responding

Our Child Protection Program provides detailed guidance for staff and Direct Contact Volunteers as to how to identify key risk indicators of child abuse and how to report child abuse concerns to one of our College's nominated Child Safety Officers. It also contains detailed procedures with respect to the reporting of child abuse incidents to relevant authorities.

Our College records any child safety complaints, disclosures or breaches of the Child Safe Code of Conduct, and stores the records in accordance with security and privacy requirements.

Our College complies with legal obligations that relate to managing the risk of child abuse under the *Children, Youth and Families Act 2005 (Vic.)*, the *Crimes Act 1958 (Vic.)*, the *Child Wellbeing and Safety Act 2005 (Vic.)* and the recommendations of the [Betrayal of Trust](#) report.

Child protection reporting obligations fall under separate pieces of legislation with differing reporting requirements.

Our College's PROTECT: Identifying and Responding to Abuse – Reporting obligations, sets out the actions required under the relevant legislation when there is a reasonable belief that a child at our school is in need of protection or a criminal offence has been committed, and provides guidance and procedures on how to make a report.

Our policy assists staff, volunteers and families to:

- identify the indicators of a child or young person who may be in need of protection
- understand how a reasonable belief is formed under the reportable conduct scheme as well as mandatory reporting
- make a report of a child or young person who may be in need of protection
- comply with mandatory reporting obligations under child protection law, and their legal obligations relating to child abuse and grooming under criminal law
- comply with reporting obligations under the reportable conduct scheme including obligations to report and investigate allegations of reportable conduct.

Our College has also established additional internal procedures and processes to help ensure that appropriate action is taken to respond to concerns about the wellbeing and/or safety of a student.

Our College is a prescribed Information Sharing Entity (ISE) meaning that, where legislated requirements are met, it is able to share confidential information with other ISEs to promote child wellbeing or safety under the CISS or FVISS.

At Catholic Ladies' College, if any member of our school community has concerns for a child's safety they need to discuss, they can notify the school Principal, the Deputy Principal (the designated Child Safety Lead/Officer) or a Child Safety Officer.

If the Principal or Child Safety Officer is not available, then it should be discussed with a member of the school leadership team. Alternatively, any member of the school community may report directly to the responsible authority.

The staff member, supported by the Principal or designated Child Safety Officer will follow the step-by-step guide to making a report as outlined in the [Four Critical Actions for Schools: Responding to Incidents, Disclosures and Suspicions of Child Abuse](#).

8. Screening and Recruitment of School Staff

Catholic Ladies' College will apply thorough and rigorous screening processes in the recruitment of employees and volunteers involved in child-connected work. Our commitment to child safety and our screening requirements are included in all advertisements for such employee, contractor and volunteer positions, and all applicants are provided with copies of the school's Child Safe Code of Conduct and the Child Safe Policy.

Each job description for staff involved in child-connected work has a clear statement that sets out the requirements, duties and responsibilities regarding child safety for those in that role and the occupant's essential qualifications, experience and attributes in relation to child safety and wellbeing.

When recruiting and selecting employees, contractors and volunteers involved in child-connected work, we make all reasonable efforts to gather, verify and record the following information about any person we propose to engage:

- confirm the applicant's Working with Children Check and National Police Check status and/or professional registration (as relevant)
- obtain proof of personal identity and any professional or other qualifications
- verify the applicant's history of work involving children
- obtain references that address the applicant's suitability for the job and working with children.

We will also ensure that appropriate supervision or support arrangements are in place in relation to the induction of new school staff and College Board into the school's policies, codes, practices and procedures governing child safety and child-connected work.

We have procedures and processes for monitoring and assessing the continuing suitability of school staff to work with children, including regular reviews of the status of Working with Children Checks and staff professional registration requirements such as Victorian Institute of Teaching (VIT) registration.

Catholic Ladies' College implements the following CECV guidelines:

- Guidelines on the Employment of Staff in Catholic Schools
- Guidelines on the Engagement of Volunteers in Catholic Schools
- Guidelines on the Engagement of Contractors in Catholic Schools

9. Child Safety – Education and Training for School Staff

Catholic Ladies' College provides employees, volunteers and clergy with regular and appropriate opportunities to develop their knowledge of, openness to and ability to address child safety matters. This includes induction, ongoing training and professional learning to ensure that everyone understands their professional and legal obligations and responsibilities, and the procedures for reporting suspicion of child abuse and neglect.

At least annually, our professional learning and training addresses:

- staff's individual and collective obligations and responsibilities for managing the risk of child abuse
- child abuse risks in the school environment
- the reportable conduct scheme
- our College's current child safety standards.

Staff, volunteers (direct and indirect), third party contractors and external education providers are supported and supervised to ensure that they are compliant with the College's approach to child protection.

10. Risk Management

At Catholic Ladies' College we are committed to proactively and systematically identify and assess risks to student safety across our whole school environment, and reducing or eliminating (where possible) all potential sources of harm. We document, implement, monitor and periodically review our risk management strategies for child safety and ensure that the strategies change as needed and as new risks arise.

It is the responsibility of the College Executive Team and College Board directors to regularly review our Child Protection Program to ensure that it is working in practice and that the College is meeting its legal and regulatory obligations relating to child protection. We undertake this practice through tasks linked to risks in CompliSpace Assurance software.

11. Relevant Legislation

- *Children, Youth and Families Act 2005 (Vic.)*
- *Child Wellbeing and Safety Act 2005 (Vic.)*

 - a) **Failure to disclose offence:** Any adult who forms a reasonable belief that a sexual offence has been committed by an adult against a child under 16 has an obligation to report that information to police. Failure to disclose the information to police is a criminal offence.
 - b) **Failure to protect offence:** The offence will apply where there is a substantial risk that a child under the age of 16 under the care, supervision or authority of a relevant organisation will become a victim of a sexual offence committed by an adult associated with that organisation. A person in a position of authority in the organisation will commit the offence if they know of the risk of abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so.
 - i) **Grooming offence:** This offence targets predatory conduct designed to facilitate later sexual activity with a child. Grooming can be conducted in person or online, for example via interaction through social media, web forums and emails.
