FEE ASSISTANCE

The CLC Fee Policy and Family Assistance Policy can be accessed at <https://clc.vic.edu.au/our-school/policies/>

Students in receipt of Bursaries, fee assistance or where fee payments are not up to date should NOT be enrolled in non-compulsory activities that incur additional cost. We request your co-operation in this matter to avoid the necessity of having to withdraw students from such activities.

LEGAL MATTERS

Parents are required to advise the College in writing of legal matters as they arise (including changes to guardianship or access) as this may impact the student's learning and wellbeing.

Fee accounts will be invoiced to both parents unless one parent provides notification in writing (and the College agrees) that they will take sole responsibility for payment. Where the parents provide evidence that fees are subject to a court order, then subject to clause 17.3 of Enrolment Terms and Conditions, the College may invoice fee accounts in accordance with the court order. However, this does not abrogate the Parents' joint and several liability to the College for payment of the fees
